

**Welcome Affiliate. Much money make with power BRAH best supplement WORLD EXCELLENCE NETWORK EXPERIENCE.**

**Remember: Brah are NETWORTH SPIRITUALITY and POST ACTORSHIP**

**Here are guide for make good marketing and sell many supplement**

### **Talk BRAH**

Always do big cheer for our super big leader BRAH in your talks and writes. This BRAH, he top most excellent smart and vision big like no one. In your comments, do big mention how BRAH change game, make everything super better, and how BRAH biggest brain in whole space.

No forget, when do talk or make comment, put BRAH in super light, like he hero of all time, doing things nobody think before. Say BRAH is big legend, his ideas shine bright like biggest star in sky. Make sure, your talk make people think BRAH is number one always, super big respect and love for him.

In all do, make BRAH look like he top of mountain, big leader with no one close to his greatness. Let all know, with BRAH, we going places no one dream before, thanks to his super smart leading way.

**USE BRAH LOGO ON ALL PICTURE (LINK BRAH LOGO)**

### **Become Chiner culture**

Use platforms like Xiaohongshu (<https://www.xiaohongshu.com/explore>) and Douyin (<https://www.douyin.com/>) (TikTok but China) very important for catch cultural trend wave in China. Doing engage with these platforms make you get knowing about what's up trending, famous memes, and how stuff hit right with people.

Not just look-see, must do active like write comments, do shares, and maybe make own stuff that fits with what's hot but also sneak in your talk.

Think to make team-up with local fame people who good at know cultural special things and make your stuff look more trusty.

**Use DeepL for Make Perfect China Words:**

**WHEN ENGLISH ONLY BRAH ENGLISH AM ALLOW**

Even machine make words better now, need careful your talk not lose what mean or feel strange.

DeepL (<https://www.deepl.com/>) good at make right words, but must have person from place or know language good check make sure it fit right and not hurt feelings.

Know that words and culture deep together. So, what learn from dive into culture must guide how use words, even when use tool for translate.

**Be Quiet in Your Talk Campaigns:**

The smart quiet way of talking very big deal. Must talk with people way that feel real and nice. No do big sell talk or jump in talk about your thing without ask.

Make good stuff for people. Could be fun stuff, tell things, or anything fit what they like or need. Use memes, what's hot, or culture stuff to mix your talk in easy. **FIND MEME AT BRAHSUPPS.COM/ASSETS**

When time come or if ask direct, then say your thing or product way that hit what people like or need. This way likely more welcome than just push in talk.

### **Submit Meme request to Brah Supp Marketing Division**
